

Project Consultants Specialised in European Grants

Do you want to join a fast-growing consultancy that values teamwork and works in an informal atmosphere? You will be part of a strong team that sets the bar high and aims for excellence. Nordic Innovators is known for going the extra mile, seeing our clients achieve success with their businesses.

Nordic Innovators has offices in Denmark (Copenhagen & Aarhus), France (Lyon), Spain (Málaga) and Norway (Bergen). We are one of Europe's leading consultancies in public funding for Research, Development and Innovation projects. We assist European companies, research institutes, universities and public institutions receiving funding from Horizon 2020 as well as national support schemes.

Job Description

To our office in Malaga, we are looking for experienced consultants with documented experience in developing Framework Programme and Horizon 2020 proposals. Additionally, you should be able to further develop and add value to clients' innovative ideas.

Your role will be to write key technology and innovation projects for diverse funding programmes, primarily Horizon 2020 and Eurostars. Moreover, there will be other tasks related to the application process such as draw up budgets, make business plans for project ideas and feasibility studies. You will work independently, however, with guidance and feedback from a Country Manager, Programme Managers and Senior Consultants.

Your Qualifications

In order to fulfil the position successfully, you must be a team player who participates and shares knowledge with a young, fast-growing and high-performing team. Moreover, you possess:

- PhD or master's degree in a science or engineering discipline (An excellent bachelor's degree and a track record across multiple technology areas will also be considered)
- Previous experience in writing research proposals for European Commission Funding Programmes and National Funding Programmes
- Talent for building positive relationships and communicating professionally with clients and project partners.
- Excellent verbal and written communication skills in English
- Knowledge of Spanish is an advantage but not a requirement

Your Success Is Our Success

This is what we tell our clients and the same goes for our team. You will never be bored at Nordic Innovators and through self-motivation, you will have the opportunity to influence your own development. You will join a fun and dynamic team that enjoys the fast-paced environment and embraces challenges and opportunities to grow our business. We have several social events during the year and not to forget foosball matches every day. Lastly, we offer a competitive salary package, including private health insurance, pension scheme and relocation support, if needed.
